Curbside & Recycling News

Included with this letter, is a flyer from GFL outlining what can and cannot be recycled along with a calendar. **Our pickup day has been changed to Wednesday.** Recycling is picked up every other week and trash is picked up every week. Be sure to check the schedule if a holiday affects our usual pickup date. Please be sure to recycle the items that are listed on the flyer. Keep carts at least three feet apart and away from other objects such as mail boxes, light poles, cars, etc.

All bulk and appliance pickup requests must be scheduled in advance. *Call GFL at 800-248-2373 to schedule a pickup date for large items or appliances. There is no charge for a scheduled bulk pickup.* Bulk pickup is not intended for complete cleanout of buildings or construction materials, etc. For such purposes, it is necessary for you to arrange for rental of a dumpster.

Planting In Road Right-Of-Way

When planting new trees, shrubs, etc. on your property, please consider visibility of the road. The placement of these plantings may not be a problem now, but look into the future. Utility lines are also a consideration. **Please be sure to contact Diggers Hotline before digging.** If there is an existing visibility problem, please trim and/or remove offending trees, shrubs, etc so that the roads are safer for everyone.

Downed Trees In Road Right-Of-Way

When a tree that is on your property falls within the road right-of-way, the property owner may be liable for any/all expenses that it costs the township to remove. It is the property owner's responsibility to have these removed.

Damage to Township Roads

Please be aware that the repair of any damage from any vehicle done to the road surface, shoulder, or right of way of any township road is the responsibility of the operator of said vehicle.

Noxious Weeds

It is your responsibility to keep noxious weeds, including thistles, cut or sprayed on your parcels. Your help with this will be greatly appreciated.

Burning

The DNR allows only open burning of such materials as leaves, plant clippings, and clean untreated wood. Please use the curbside collection service to dispose of your waste. **If you are having a large burn with any considerable amount of smoke, contact a board member AND the Jefferson County Sheriff's Department at 920-674-7310.
