## Curbside & Recycling News

- A GFL Calendar is included with this letter. Be sure to check the schedule if a holiday affects our usual pickup date.
- Our pickup day is Wednesday. Garbage is collected every week and recyclables are collected every other week.
- Keep carts at least 3 feet apart and away from other objects such as mailboxes, light poles, cars, etc.
- All bulk and appliance pickup requests must be scheduled in advance. Call GFL at 800-248-2373 to schedule a pickup date. There is no charge for scheduled bulk pickup. Bulk pickup is not intended for complete cleanout of buildings or construction materials, etc. For such purposes, it is necessary for you to arrange for rental of a dumpster.

## Jefferson County Clean Sweep & Recycling Program:

A flyer is enclosed with the opportunities available for disposal of hazardous waste, tires, appliances, electronics and unused prescription and over-the-counter medications. Check for the dates and locations of these opportunities throughout Jefferson County.

**Burning:** The DNR allows only open burning of such materials as leaves, plant clippings, and clean untreated wood. Please use the curbside collection service to dispose of your waste.

**Before starting a fire, contact the Jefferson County Sheriff's Department non-emergency number (920-674-7310) and a town board supervisor. If this is not done and a fire truck is sent, a \$500.00 fine will be sent to you.**

**Planting in Road Right-of-Way:** When planting new trees, shrubs, etc. on your property, please consider visibility of the road. The placement of these plantings may not be a problem now, but look into the future. Utility lines are also a consideration. **Please be sure to contact Diggers Hotline (800-242-8511).** If there is an existing visibility problem, please trim and/or remove offending trees, shrubs, etc. so that the roads are safer for everyone.

**Downed Trees in Road Right-of-Way:** When a tree that is on your property falls within the road right-of-way, the property owner may be liable for any/all expenses that it costs the township to remove. **It is the property owner's responsibility to have these removed.**

**Damage to Township Roads:** Please be aware that the repair of any damage done to the road surface, shoulder or right-of-way of any township road from any vehicle is the responsibility of the operator of said vehicle.

**Noxious Weeds:** It is your responsibility to keep noxious weeds on your parcels, including thistles, cut or sprayed. Your help with this will be greatly appreciated.

**Thank You!!** The Town Board wishes to thank all residents who have kept the ditches bordering their property mowed and maintained. As a reminder, *blowing any grass clippings into the road is unsafe and unlawful.* Thank you for helping keep our township beautiful and safe!
